

The **Smart** Collection

Insulated Composite Doors
The smart choice for any home

What We Do Best

At Doorsmart, we utilise the latest advances in composite door technology to offer our customers the very best in design and quality. Choosing an entrance for your home should be done with consideration. It needs to be strong, secure, durable and most of all attractive to look at. Our doors offer outstanding insulation, weather resistance and provide a door that is highly durable with very little maintenance required.

While modern composite doors are constructed of many varied materials, there is only Doorsmart's that provide the look and feel of timber. The Doorsmart range displays all the timber-like appearances with attractive depression mouldings and decorative graining, with endless colour options to choose from we believe we offer an outstanding choice.

When choosing a standard coloured door, the colour is introduced into the fibreglass during manufacture, making a unique through-colour facing which is highly durable. With a range that offers numerous door designs that can be chosen in various standard colours, we offer an outstanding package.

However we have recognised that some of our customers may want that extra something different and have now introduced our extensive spectrum painted range. The spectrum range is a surface sprayed item and can be ordered either as a

The Smart Choice for any Home

We understand that protecting your home and family is a major factor to consider when choosing your new door. At Doorsmart safety and security are at the forefront of our priorities. Statistics show that a property is burgled every minute in the United Kingdom. With a 44.5mm thick composite door, reinforced door outer-frame and 'Secured by Design' locking options, we offer the most secure door option available in the residential sector.

Our policy is to manufacture a composite door of the highest specifications and quality and to provide a personal service to meet the needs of our customers. At Doorsmart we deliver all of our products direct to your chosen destination offering that personal touch. Doorsmart the smart choice for any home.

RAL Code, BS Number, Dulux, Farrow & Ball or Valspar - the list is endless.

Now you have chosen your door design and colour, it's down to your choice of glass and door furniture. We have provided a number of glass designs that feature coloured glass, subtle or striking patterns and varieties of obscure glass to provide privacy to the level that suits you. Every effort will be made to accommodate any special glass designs or requirements you may have.

The entrance to your home is important because first impressions really do count!

Security

- Impact resistant GRP with rigid polymer subframe
- Proven to PAS24 security standards and prerequisite for achieving 'Secured by Design' accreditations
